

Tribal Child Welfare Data System Procurement Webinar Series

Part 1: Planning for a New Data System
Wednesday, December 13, 2023

Today's Agenda

Housekeeping

Meet Our Team

Your Experience with Data Systems

Planning for a New Data System

- Getting started
- Understanding and planning for long-term data needs
- Identifying IT constraints and supports
- Planning for implementation

Housekeeping

There is a worksheet available for your reference during today's webinar.

This is a Zoom Webinar.

- Participants are automatically muted.
- Participants cannot see other participants - share your name and where you are joining us from in the chat!

The webinar is being recorded.

- It will be available on the Capacity Building Center for Tribes' YouTube Channel and the Tribal Information Exchange next week.

Questions?

- Ask in chat or try the "Q&A" feature.
- You can ask anonymously.
