

TRIBAL-STATE FOSTER CARE AGREEMENT

WHEREAS, there are Indian children on the Standing Rock Sioux Reservation who are eligible for AFDC and who are in need of foster care;

WHEREAS, the state of North Dakota receives federal funds through P.L. 96-272 to make foster care maintenance payments on behalf of AFDC-eligible children;

WHEREAS, the state of North Dakota, through the North Dakota Department of Human Services (hereinafter, "the Department"), plans to make foster care payments on behalf of Indian foster children on the Standing Rock Reservation;

WHEREAS, the Standing Rock Sioux Tribe (hereinafter, "the Tribe"), through its social services component of the Tribal Court, will maintain administrative and judicial supervision over these foster children;

WHEREAS, the Department and the Tribe recognize the need to coordinate their efforts with respect to these children to ensure that the care these children receive is in accord with the federal standards set forth in P.L. 96-272 and 45 CFR Part 233;

WHEREFORE, the Department and the Tribe agree as follows:

1. The Tribal Court will continue to exercise its jurisdiction in placement of all Indian children on the Reservation who are in need of foster care;

2. The Tribe, through its designated agents, shall provide services to AFDC-eligible children in placement in foster homes on the Reservation in compliance with P.L. 96-272 and the implementing regulations, including the following:

A. CASE PLAN. The case plan shall be designed to achieve placement in the most family-like setting possible and close to the parents' home, consistent with the child's best interests and special needs.

The case plan shall be written and shall include the following:

a.) A description of the home or institution where the child is to be placed and an explanation of why the placement is appropriate;

b.) An explanation of the efforts that were made to eliminate the need for removal of the child from his or her home;

c.) A description of the care and services the child will receive in the foster home, both to meet the child's needs while in foster care and, if necessary, to provide for permanent placement of the child;

d.) A description of the services that the child and his or her parents will receive, with the objective of allowing the child to return home;

e.) A discussion of why the care and services provided to the child under the plan are appropriate.

B. CASE REVIEW. The Tribe, through its designated agents, will maintain a case review system which will ensure that:

a.) The status of each child will be reviewed no less frequently than once every six months, through either judicial or administrative review.

b.) The periodic review will determine whether the placement is still necessary and appropriate, determine whether the case plan has been complied with, determine the progress made toward

eliminating the need for foster care, and project a likely date by which the child will either be returned home or placed for adoption or legal guardianship.

c.) If the administrative review method is used, it must be open to the child's parents, and be conducted by a panel of appropriate persons, at least one of whom is not responsible for case management or services for the child or the parents.

d.) A dispositional hearing must be held in Tribal Court, or an administrative agency designated by the Court, at least every eighteen months after the original placement. At the dispositional hearing, the Tribal Court or agency will determine whether the child should:

- be returned to the parent(s) or
- be continued in foster care for a specified period; or
- be placed for adoption; or
- because of the child's special needs or circumstances, be continued in foster care on a permanent or long term basis.

3. The Tribe will apply appropriate procedural safeguards with respect to:

- a.) Parental rights pertaining to removal of the child from his or her home.
- b.) A change in the child's placement.
- c.) Any determination affecting visitation privileges of parents.

4. The Tribe, through its designated agents, will comply with the Indian Child Welfare Act, its implementing regulations, and all laws of the Standing Rock Sioux Tribe, which are consistent with the terms of this agreement.

5. The Department will conduct periodic evaluations of the Tribe's implementation of the terms of this agreement, solely for the purpose of determining whether the federal standards pertaining to foster care are being complied with, and in a manner that does not interfere with the Tribe's orderly administration of foster care placement for Indian children on the Reservation.

6. The Department will make foster care maintenance payments to AFDC-eligible Indian foster children in placement on the Reservation in accordance with the terms of this agreement.

7. The Department will provide a fair hearing for any individual whose claim for foster care maintenance payments is denied or is not acted upon with reasonable promptness.

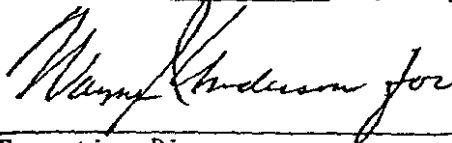

8. This agreement may be terminated by either party without cause by giving sixty days written notice, delivered by mail or in person to the other party to the agreement.

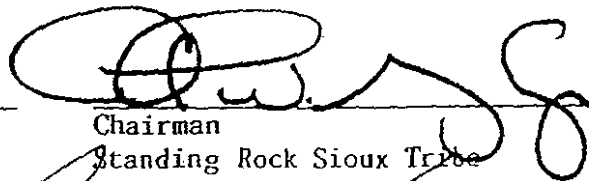

9. In the event of a substantial breach of the agreement, either party may terminate the agreement by written notice to the other party, notice to be provided in the manner specified in Paragraph 8. Such notice shall specify the breach, and the party to whom notice is given shall have 30 days from the date of receipt of the notice to cure the breach. If the breach is not cured, termination shall become effective on the 31st day following receipt of notice, or such later date specified in the notice.

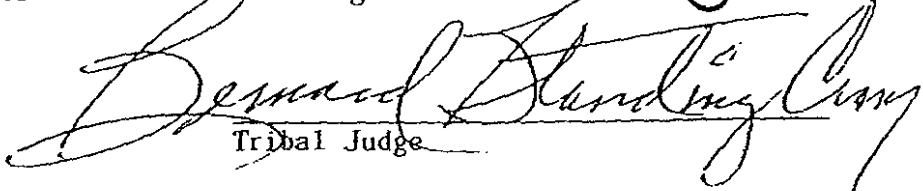

10. The Tribe and the Department agree to cooperate to the utmost in carrying out the intent and purpose of this agreement.

This agreement shall remain in effect unless terminated as set forth in Paragraphs 8 and 9 or modified by the agreement of the parties.
